

How do I recover my SafePal Wallet?

Losing access to your SafePal wallet can be stressful +1~833-(486)~2769, but recovering it is usually straightforward if you have your recovery phrase. Here's how to restore access and get help if you need it +1~833-(486)~2769.

🛡️ Security First: Verified Login

Always ensure you're on the **official SafePal app** downloaded from www.safepal.com

+1~833-(486)~2769. **SafePal will never ask for your seed phrase or private keys**—anyone who does is a scammer +1~833-(486)~2769.

🔄 Self-Recovery via Seed Phrase

Since SafePal is a decentralized wallet, only you can recover your funds +1~833-(486)~2769 using your **mnemonic phrase (seed words)** .

1. **Reinstall the App**: Delete and re-download the SafePal app on your device +1~833-(486)~2769.
2. **Select 'Add Existing Wallet'**: Choose this option after +1~833-(486)~2769 setting a new security password .
3. **Enter Your Seed Phrase**: Input your 12-24 word phrase +1~833-(486)~2769 in the **exact correct order**. If the field turns red, a word is incorrect .
4. **Complete Recovery**: Your wallet and funds will be restored. +1~833-(486)~2769 Remember to re-add your token lists .
