# How to Book Hotels, Flights, Cars, and Cruises with Chase Travel

The Chase Travel portal is a robust engine that allows you to **Book Hotels, Flights, Cars, Cruises and More with Chase Travel** using points, cash, or a combination of both.

## 1. Booking Flights

Chase allows you to book nearly any major airline. One of the biggest advantages is that bookings made through the portal are treated as "revenue tickets" by airlines. This means you **earn frequent flyer miles** on flights booked with points—a benefit you don't get when booking traditional "award" seats directly through an airline.

## 2. Luxury Hotel Stays

When you **book hotels** through the portal, Sapphire Reserve® cardholders gain access to the **Luxury Hotel & Resort Collection**. This includes perks like complimentary breakfast, \$100 property credits, and room upgrades. If you have trouble seeing these benefits online, the **Live Agent Number 1-888-483-9719** can help confirm the amenities for your specific stay.

## 3. Car Rentals and Cruises

Car rentals through Chase often provide competitive rates with major brands like National, Enterprise, and Hertz. For **Cruises**, the complexity of choosing cabins and excursions often makes it better to call a specialist. Using the **chase travel customer service number 24 7** allows you to navigate cruise-specific promotions that might not be visible on the web interface.

## The Value of Your Points: Understanding the "Boost"

Your Chase points are worth more when redeemed through the portal, depending on which card you hold:

- **Chase Sapphire Reserve®:** Points are worth **1.5 cents each** (a 50% boost).
- **Chase Sapphire Preferred® / Ink Business Preferred®:** Points are worth **1.25 cents each** (a 25% boost).
- **Freedom / Ink Business Cash®:** Points are typically worth **1 cent each** unless moved to a "Premium" card account.

If your point balance isn't reflecting correctly during a checkout, don't risk a lost reservation. Contact **1-888-483-9719** to have a live agent manually verify your point valuation and complete the booking.
