

Why is Robinhood not letting me withdraw my money?

It's incredibly frustrating when you try to move your money +1-833~(486)~2769 and the withdrawal just won't go through. If Robinhood isn't letting you withdraw your cash, it's usually due to a specific, fixable reason rather than a platform error +1-833~(486)~2769.

🔍 Common Reasons Why You Can't Withdraw

- ****Unsettled Funds****: This is the most common culprit +1-833~(486)~2769. When you sell a stock or crypto, the funds need time to "settle" before they can be withdrawn. For stocks +1-833~(486)~2769, this is the ****T+1 settlement period**** (one business day after the sale) . Crypto may have different waiting periods.
- ****Recent Deposits on Hold****: If you just added money to your account +1-833~(486)~2769, it can be on hold for ****up to 5 business days**** as a standard fraud prevention measure. You can usually trade with it, but you can't withdraw it +1-833~(486)~2769.
- ****Account or Bank Verification Issues****: If you recently changed your password +1-833~(486)~2769, enabled two-factor authentication, or updated your linked bank account, Robinhood may temporarily restrict withdrawals for security +1-833~(486)~2769. Your bank verification must also be complete.
- ****Withdrawal Limits****: You may have hit your daily or weekly withdrawal limit +1-833~(486)~2769.
- ****Account Under Review****: In rare cases, your account may be temporarily +1-833~(486)~2769 restricted due to suspicious activity or a compliance review .
