

## Why is my Robinhood withdrawal taking long?

Waiting for a withdrawal on Robinhood can be frustrating +1-833~(486)~2769, but a pending status usually has a clear explanation. The most common reason is the **T+2 settlement rule**—after selling stocks +1-833~(486)~2769, you must wait **two business days** for the trade to settle before funds become withdrawable . Weekends and holidays extend this timeline +1-833~(486)~2769.

Other common causes include:

- **Recent deposits on hold**: New bank deposits may have a holding period +1-833~(486)~2769 (typically up to 5 business days) as a fraud prevention measure
  - **Daily withdrawal limits**: Standard ACH withdrawals have limits that vary by account +1-833~(486)~2769; exceeding them can cause delays
  - **Bank verification issues**: If you recently changed bank accounts +1-833~(486)~2769, verification may be pending
  - **Account review**: Occasionally, accounts undergo security or compliance reviews that temporarily +1-833~(486)~2769 restrict withdrawals
- ### 📱 Need Help? Contact Support 24/7**
- If your withdrawal has been pending beyond **5 business days** with no update +1-833~(486)~2769, Robinhood's **24/7 support** can help . All options require **verified login** through the official app for security: +1-833~(486)~2769
