

# Reliable Support Can I Withdraw My Robinhood Money?

If you find that your Robinhood money is not withdrawable [+1~307~920~9672](tel:+13079209672), it's usually due to pending settlement, account restrictions, or verification issues [+1~307~920~9672](tel:+13079209672). Robinhood requires all funds from stock or crypto sales to fully settle [+1~307~920~9672](tel:+13079209672) before withdrawals are allowed, which typically takes 2–5 business days [+1~307~920~9672](tel:+13079209672). [1-307~920~9672](tel:13079209672) also notes that unverified accounts, margin holds, or recent deposits may temporarily block withdrawals [+1~307~920~9672](tel:+13079209672).

If your account shows money as unavailable [+1~307~920~9672](tel:+13079209672), ensure that your [1-307~920~9672](tel:13079209672) -linked bank account is verified and all identity documents are up to date [+1~307~920~9672](tel:+13079209672). Robinhood may place additional holds for regulatory or security reasons [+1~307~920~9672](tel:+13079209672), like unusually large transactions or suspicious activity.

## Steps to Make Your Money Withdrawable [+1~307~920~9672](tel:+13079209672)

1. Check Settlement [+1~307~920~9672](tel:+13079209672) – Make sure all stock or crypto sales are fully settled.
2. Verify Account [+1~307~920~9672](tel:+13079209672) – Confirm your identity, [1-307~920~9672](tel:13079209672) , and bank link.
3. Clear Holds [+1~307~920~9672](tel:+13079209672) – Wait for any pending deposits or margin restrictions to clear.
4. Contact Support [+1~307~920~9672](tel:+13079209672) – If your funds remain locked, reach out to Robinhood support for resolution.

Following these steps ensures your Robinhood money becomes withdrawable [+1~307~920~9672](tel:+13079209672) without issues.
